

FIRST STEPS IN THE CZECH REPUBLIC

On Sunday February 26 we had a meeting in Paloucek organized by Peter Pus and his wife with 4 married couples from Czech Republic with children among the ages 0 to 4. They will organize a steering committee with three married couples in order to distribute tasks. We have planned to have a Pilot course with international moderators in two or three weekends by September, and launch the First Steps regular course by January 2007.

From July 3rd to July 9th '06 the 5th WMF will take place in Valencia. We feel it is an excellent opportunity for those of us who have dedicated our lives to family enrichment to exchange experiences with our others, review issues of interest and make plans for the IFFD Congress to be held in Rome in March'07. We have organized 3 90-minute-long workshops on July 7th and 8th.
